Quick Leonard Kieffer is conducting a search for a President for the Meriter Medical Group in Madison, Wisconsin. This is an exciting opportunity for a skilled physician leader to join a community healthcare organization, revered for both its high quality of patient care and unrivaled community devotion, at a time when the organization is focused on physician integration and growth.

The President of Meriter Medical Group will be responsible for facilitating the growth, development and integration of the medical group. For the right person, this will be a career-defining position. Might you have an interest in speaking about this opportunity? I would be delighted and honored to set up a time for us to chat. If interested, I would also be happy to send along a detailed position description. In the interim, I have copied some of the most relevant information below:

* Meriter Medical Group is a fast growing and high performing group, which operates under Meriter Health Services. Currently the group consists of more than 50 providers with a focus on improving patient access and providing the best patient care possible.
* Meriter Medical Group seeks to be the destination of choice for patients, staff and physicians throughout Dane County and southern Wisconsin. The Meriter Medical Group currently includes: cardiothoracic surgeons, hospitalists, internists, pediatricians, physiatrists, and addictionologists.
* Meriter Health Services provides southern Wisconsin with innovative and comprehensive health care and employs approximately 3,400 individuals.
* In addition to Meriter Medical Group, Meriter Health Services includes: Meriter Hospital, Meriter Home Health, Meriter Laboratories, Meriter Foundation, and Physicians Plus Insurance Corporation.
* Meriter Hospital, is a 448-bed, non-profit community hospital that provides comprehensive health services.
* Meriter Hospital is a major teaching affiliate of the University of Wisconsin, and the fifth largest hospital in the state.
* Meriter Hospital has received numerous awards including the: Thomson Reuters 100 Top Hospitals 2007 Performance Improvement Leader, VHA -2007 Leadership Award for Clinical Excellence and the 2009 Get With The Guidelines Performance Achievement Award for Cardiovascular Services.
* Madison, Wisconsin is a progressive, cosmopolitan city. It is home to the world-class University of Wisconsin-Madison and is the seat of state government. Madison offers both small town charm and a range of cultural and recreational opportunities.
